Genuflesso à piedi di V. S.e Illus.me io pouero sfortunato
Giambattista Conti, le supplico di pietà per un fatto
in cui, non il mio mal animo, mà la mia mala
sorte vi haura tutta la parte. E pur troppo uera
la disgratia accadutami la note delli 23 Giugno
passato, mà altretanto lontana, et impossibile è
stata la mia intentione di far male ad alcuno
nè in quella notte, nè in altro tempo. Non saprei
negare di non hauere una uera, e sincera ami-
citia con Mattia d'Andrea mio uicino, e da cui hò
riceuto più di qualche fauore; questo hauendo
impegno con una Giouane Romanina quale hà
anche sposata il Carneuale decorso, e douendo la
sera sudetta andare à ritrouarla come è pratica
uniuersale della Giouentù in simili casi, andai
secco lui; partiti di Casa, et inuiatisi all'insù tro-
uassimo altri amici della nostra età, che si uni-
rono con noi, e ueramente si fece una Compagnia
come si suole per passarsela alegramente, non
mai per far alcun male, per far il quale certa-

mente non haverebbero potuto unirsi tanti; unione anzi assai più atta a tener lontano qualunque attentato, ò in altri ò in noi medesimi. In fatti come mai potevamo havere un'idea, inimaginabile d'offender alcuno, se tutti eravamo senza armi toltone un pezzo di legno, che taluno di noi haveva per diffendersi da qualche Cane, che non s'havesse contentato d'abaiare alla Luna.

Illus.mi Sig.ri Sig.ri la prima, prima inspezione d'un huomo, che và per dare è il provedersi d'arma, e d'arma tale, che superi ò almeno eguagli quella di cui può trovar proveduto il suo Nemico. Onde la nostra cattiva fortuna, che arrivati al luogo destinato si trovarono due apostati; si videro, e si conobbero, si videro armati tutti due di Sciabla, e si conobbero; uno per Bernardino Morso ben noto ala Giustitia, e che haveva fatta l'espressione antecedentemente deposta dala Madre del Peresino et da altri; l'altro per Francesco Peressino, che

qualche sera avanti haueua offeso, e minacciati
il d'Andrea. Chi mai Illus.mi Sig.ri potrebbe persuader=
si, che costoro fossero iui apostati puramente per
goder dell' fresco. Persone, che anno dato già
saggio della loro audacia prouedute di Sciabla, e
in sito esposto. Vengono essi ad intendere à chi non
hà intendimento, che si erano ritirati per lasciar
passar gli altri, che sono stati ragiunti prima, che
essi potessero cauarsi, quasi che vada una gran
Camerata con più fretta di quello possano caminar
due soli. Ch Illus.mi Sig.ri essendo la notte assai
curta, se que due andauano à dormire in vece
d'apostarsi non li succedeua alcun male, e sè il Mo=
roso correua prima, come hà corso dopo, staua assai
meglio. Vedendo, che non si moueuano, furono sa=
uiamente preuenuti, e li primi trouandosi disarmati
d'armi sè li fecero adosso: la natura istessa in=
segna ad ogni uno il difendersi, et in simili casi
vim vi repellere licet, ogni uno procura di

disarmare

disarmare il suo nemico, et è più, che plausibile
il moderamen inculpatae tutelae, di quello, che non fà
altro di più al suo nemico, che metterlo in stato
di non poterlo offendere. Mà che male li fù fatto
mai in questa necessaria prevenzione. Il Den-
tesano fece prova, se il Moroso era di cattivo
pensiero, il trovò tale, e con un pugno il gettò
à terra; io accorsi, è vero mà per ovviare, non per
far male. Parmi, che il fatto istesso più, che abbas-
tanza ciò dimostri ad evidenza; mentre ogni uno anche
senza occhi vede, che essendo il Moroso imbarazzato
col Dentesano haveva tutto il commodo, e tutta la
sicurezza per offenderlo, e sodisfarmi; non l'ò fatto,
dunque non haveva intentione di farlo. Che rizatosi
il Moroso io gli habbia dimenato un colpo, con
legno non è verisimile, che potendolo fare mentre
egli era à terra, et à man salva habbia aspet-
tato di farlo, quando ei s'era messo in piedi
et in libertà d'aventarmesi; mà dato, e non
concesso

concesso, che l'havessi fatto, certamente per necessità deve credersi, che io, ed il Ventessano havendoli permesso, che si levasse senza farli male à fine, che se ne andasse à casa, rinovando egli l'inso:lenza ò per ricuperar la Sciabla, ò per offender, l'abbia fatto con discretione à solo ogetto di corregerlo è obbligarlo ad andarsene, come fece. Chè ciò poi habbia fatte espressioni sul fatto, sei pur qui fol. etc. Per dedurre in me un cattiv'animo verso di lui, ciò è direttamente contrario all'fatto istesso, e sè fosse vero, che io, essendo il Morosso à terra igli havessi levata la Sciabla, messosi egli in piedi, havendo cattiv'animo igli haverei dato non un colpo di legno, mà di Sciabla, come ha:verebbe fatto lui con me, essendo già usato à far simili colpi. Dio Buono! che male finalmente hà havuto? un male che ogni altro sarebbe ogni giorno andato à lavorare senza immaginabile

riguardo.

riguardo. E più che vero, che se la mia mi:
seria m'havesse permesso di poter far le mie
diffese haverei fatto constar alla Giustitia, che
uno, e due il di seguente si portarono per ri:
trovarlo, i suoi li licenciarono con pretesto, che
travagliava in letto, et essi han saputo di certo
egli era all' fuoco, e che stava alegramente, ha:
verei provato anche di più, mà ci volle pacienza
Illus:mi Sig:ri questa è tutta la mia verità, e questa
in ristretto sono le mie diffese; il travaglio mio,
e di mia povera Madre, il dispendio nelle mie
circostanze, crederei, che non fossero sproporzionate
all' mio trascorso; e sè mi mancasse qualche cosa
in tal proporzione, supplico V: S: Illus:me di supplire
col loro umanissimo cuore, e cò là loro pietà, che
della gratia.

Che poi doppo il detto giorno si attrovasser insieme nella piazza di forcesar Zennella Blasone et altro l'adunanza fu per far le provisioni di biada come si continuato e per unitamente caricarle su Carri di Orzo.

Che poi comparisero tutti armati di legni, è notorio che li detti Zennella furono stati de lavoratori che di consueto portano li loro Cassi alla mano, ne il Ciro haveva altro legno che lo stimolo, ne il Blasone altro che un piccolo bastoncello d'appoggiarsi per viaggio. L'adunanza adunque non è sospetta, e portare de legni non è con mal animo.

Che puo detto mal animo considerarsi benche nella sommaria imputato specialmente a Diaconio Zennella, perche non è altrimente provato, come che l'imputatione si rende dal detto d'un sol testimonio.

Prius Illuminato Inda.

Giacomo Pollano Huomo notoriamente rissoso, ed insolente. E tale anche convinto dalle depositioni giurate di due testimonij maggiori d'ogni eccezione, come ricavasi nella prima Tavola del Defensivo, non seppe frenar la prava sua natura l'anno. 1704. in tempo, ed occasione della Sosa del Paludo, di modo che provocato con parole ingiuriose, et offensive della reputatione Andrea Brittaione, & anche offeso il med.mo con sassate, e come dall'informatione risulta, cose in necessità il med.o Andrea di diffendersi dall'ingiusta aggressione, ed indebito steccatto; Ma p. esser sa dif.ta benche avvalorata dall'innocenza non poteva resistere alle sforzi violenti del scelerato aggressore. così sarebbe restato vittima infelice dell'insano furore il povero Andrea, quando da Gioseppe Brittaione Padre del med.o non fosse stato divertito l'empio attentato.

Sopra questo fatto formato Processo, e sortito sode à Reo di veder patentemente provata l'ingiusta aggressione di Giacomo Polano. con promotione di rissa, con causa ingiusta e incitabili espressioni; E stanno indubitatamente stabilite, e necessità di Andrea Brittaione di diffendersi.

e di Giuseppe suo Padre di cavar il figlio dalle mani dell'arrabbiato aggressore, e non vederlo in breve privato di vita.

Con questi validissimi fondamenti di compatimento e di difesa sono con retta coscienza comparsi alla prima chiamata della Giustizia li predetti Andrea, e Giuseppe Grittaioni, e nelli loro Costituti con ingenuità, e candidezza hanno esposta la pura e mera verità dei fatti, aggressioni e pericoli e necessità predetti. Hanno in oltre con modula di Capitoli maggiormente confutate le menzogne del Polano introdotte. Finalmente rassegnati per l'espeditione riconciliano li brevi seguenti riflessi, certi d'una libera assoluzione e d'una condanna contro il Polano di tutte le spese ordinarie et estraordinarie con quel più che deve appagar la Giustizia medesima e servir di castigo all'insolenza, e reità del Polano.

È riflesso à quanto nel giorno che seguirono li accidenti sopraccitati, vero è Andrea Grittaioni, tosto che questo pur aprì bocca, ne mosse passo per offender il Polano; ma sentì il Polano stesso li primi accenti che pronunciò assai aspetti di veleno e di vendetta, sicche non furono parole mascherate di ladro, di rio di una reggiava contro il povero Andrea predetto. Osservo in oltre che questo torrente di villanie fu rilasciato dal Polano con

anca

causa non solo ingiusta ma di sua natura offensiva.

Ponderò finalmente, che non bastarono i strapazzi, ed insolentissimi improperij ma furono anche fatti gesti armato il Polano di sassi intorno contro il Tibaione; procurò armarsi di falzetto per uciderlo, e abbracciato lo stesso averebbe anco messo in essecuzione il scelerato dissegno, se non fusse stato dalla pietosa sollecitudine del Padre intercetto il figliuolo.

Tutti i sud.ti rifflessi li vedo stabiliti nei sud.ti enarrati fatti: e li fatti stessi li trovo risultati, ò nell' informazione, o nelle deposizioni giurate dei testimonij essaminati sopra la modula del Defensivo.

Posti questi fatti come in verità sono incontrastabili; che reità può mai addossarsi al povero Andrea?

Può essere, che questo possa havere sparsa qualche parola contro il Polano, ma è stato come si dice che riconosce per autore chi lo provoca. Può esser anche che nel diffendersi habbia procurato di reprimere la violenza dell' aggressore. Ma è legge anche di natura, che vim vi repellere licet.

Dunque oltre la retta necessità, e retto il lecito di diffendersi. Ciò volle insegnarci il med.o Giusto con il dono-

rem meam nemini dabo. Chi non rivendica il suo onore
offeso è indegno di riceverlo. onde devo dire che il povero
Andrea non à altra colpa in questo fatto, che nel
non haver più gagliardam.te difeso il proprio onore.

È dottrina tritta trà tutti i criminalisti, particolarm.te
del Caro § Homicidium ut totum, che è lecito offen-
dere anco usq. ad necem impunem.te un promotore
di rissa, e un aggressore: particolarm.te quando l'
aggressore stesso pronuncia parole micidiali, et offensi-
ve dell'onore. Nel n.ro caso il Solano è stato il
promotore di rissa; è stato l'aggressore con espressioni di
voler ammazzare, come consta, e nell'informativo, e
nel difensivo. Onde se Andrea l'havesse offeso, o l'
havesse ammazzato, non potrebbe dirsi reo, poiche Aggres-
sorem occidere impune est con quel che segue nel
Farinacco, e nell'anted.o Caro. Ora la rag.e addotta
da d.i Criminalisti è del tutto appagante cavata dalla
massima legale, che melius est intacta iura servare,
quam post vulneratam remedium quaerere.

Andrea poi non hà offeso, solo si è difeso. onde merito, e
non reità deve attribuirsi al med.o

Dal figliuolo inocente passo al Padre inocentissimo che se

sene

bene vedeva il figliuolo in evidente pericolo morte con insolita flemma pregar per amor di Dio l'aggressore à lasciarlo. Questo infelice Genitore le proprie usere in mano alla vecchia tenta con forme placide liberar il figliuolo, non le riesce. Usa la difesa e e sortisce. E per questo potrà dirsi reo l'infelice?

Scordano la naturale mansuetudine gl'animali più placidi quando si tratta di diffendere li oggi parti. L'irragionevole diviene ragionevole per conservar li figli, onde non deve il ragionevole divenbar irragionevole per perder li medesimi.

Si metta ogn'uno nei panni d'un povero Padre che veda in pericolo di vita il figliuolo, e poi dica e vero quello farebbe in difesa della miglior parte di se stesso.

Un assalito può diffendersi, et offender l'aggressore; dunque anche un Padre può diffender un figliuolo assalito, et offendere l'aggressore perche diffende se stesso. Pater enim et filius sunt una, et eadem persona.

Se questo infelice Padre non divertiva l'aggressore perdeva il figlio; nell'atto di diffender il figlio stesso accidentalmente l'aggressore è stato un poco offeso. Colpa di ciò non è il Padre, perche poteva impunemente anche ammazzarlo come è chiaro per dottrina de DD., e legge di natura che insegna Vim vi repellere licet.

Concludo finalmente che ne Andrea figlio ne rispettivo Padre sono rei di sorte, ma come inocenti devono per tutti i riguardi restar liberamente assolti.

Giacomo Polano non solo di natura insolente, e rissosa, ma anche d'ingegno malitioso, e sagace hà tentato d'offuscar l'inocenza delli Pittaconi e palliar la propria reità con modola insulsa, ed inconcludente di Capitoli prodotta in opposizione alle difese d'essi Pittaconi. Ma lode à Dio Protettor dell'inocenza che l'attentato è riuscito inane, e vacuo.

Perche considero la qualità dei testimonij da costui introdotti. Questi sono Hebrei, Interessati, Parenti, e testimonij falsi per tali convinti dalle istesse loro depositioni.

Il primo è un tal Lustato che infedele à Christo non può far fede agl'Ateonieri. E' in oltre un interessato, perche depone d'haver haunta rissa con Andrea Pittacone. Gl'altri sono Dom.co e Piero Valant. questi sono veramente non giurati, che non provano, ma anche falsi, perché contrarij à quanto hanno giuratamente deposto nell'informativo. Vi è Girolamo Poiano anche questo falso perche contrario a se stesso, come si ricava col confronto del deposto nell'informativo. Gl'altri ò non giurati, ò che nulla rilevano con li sovranominati non servono che à stabilire alla Giustitia che Giacomo Polano è insolente e rissoso e anche del pari malitioso, e tristo.

concludo

Concludo, che la giustizia non può, nè mai potrà ritrovar nelle Frittaioni reità alcuna. Meritano però questi tutto il compatim.to, e la loro innocenza esige una plenaria, e libera assoluz.e

Il Polano Promotor di rissa, aggressore, con causa ingiusta, oltraggiante, e Villana merita rigoroso castigo, e condanna di tutte le spese ordinarie, et estraordinarie, che tanto tende indubbitatam.te per effetto di Giustizia

Non solo ne primi tempi della Romana Republica fù congionto con tutta l'odiosità il gioco di carte, ma via più sempre s'è riddotto così esoso, che come ne tempi stessi fù espressam. prohibito, così poi nel corpo del ius comune; e ultimam.te con positiva lege veneta è stato vietato.

Della p.ma prohibit. abbiamo il riscontro nel Libro terzo d'Oratio in quel verso: seu mavis vetita legib. alea.

La seconda stà registrata nelle ll. 1, e 3 ff de aleatorib.;

E la terza si legge nel Consulto 23. del Statuto Veneto, da che s'è ricavata la massima, che di gioco non si fà vasor, perche dal med.mo non nasce alcuna att.ne.

Questa odiosità, questo proceder così esoso e varie espresse così universale prohibit.ni, massime à chi di altrui serve per malo vita constituisce nei trasgressori una colpa di tal maniera, à cui cadaun quì aplicarvi senza verun dettenimento una condegna corrett.e, molto più poi à chi n'è l'instigatore di tal contrafacc.e, e'l corruttore di si buon costume.

Serafino Zambino, che per la morte del Padre, e come figlio mag.re ne stima la di lui qualità, deue auere la cura, la custodia, e la dirett.e nel ben operare degl'altri suoi fratelli minori, venuto à sapere che Lorenzo Bonaciol tendeua à sovvertire il buon viver di Pietro di lui fratello col mezzo del gioco di carte, al quale ogn'altro giorno lo incitaua, le sortì un giorno di ritrovarlo

sul fatto, così che soprafatto da un intenso dolore di veder il fratello in q(ues)ta maniera illaqueato, in atto di tanto disprezzo delle leggi, in procinto di profonder le proprie, e le comuni sostanze, non potè rattenersi di non si lasciar indurre sul fatto stesso à quella correz(io)ne verso il Bonaciol, che meritava la sua pessima condotta, et il tradim(ent)o, che con le più fine lusinghe non omettava d'ordire all'incauto Giovine, riservatosi di farlo ancora alla propria casa contro il fratello.

Se questa operaz(io)ne sia degna di castigo, le male procedure del Bonaciolo così nel sviam(ent)o del Gambino, e nella corruz(io)ne de suoi buoni costumi, della quale n'era l'intiera causa, come l'opera contrafatt(ament)e à tante, e sì sante leggi, e mie, e la Giust(izi)a devono persuadere di no.

E chi mai nel veder ~~posto~~ un fratello, che per l'evidente sopravanzar è in figura di figlio, ~~sul~~ posto sull'orlo del precipizio, in atto d'invasarsi d'un vizio, che oltre la perdita di quel tempo, che nella sua condiz(io)ne dovea servirli à procacciarsi il vitto, servir anzi la doveste al consumo anco di ciò che l'altro fratello à forza di continui sudori s'andava procacciando, e chi mai replico non si sarebbe lasciato ~~[illegible]~~ guidar da un giusto dolore, che si rende poi difficilissimo à temperarlo, come ci assicuran le leggi, mentre l'intensità del rincr(escimen)to impedisce l'esercizio del buon intelletto, onde dalle leggi stesse vien prescritto il compatim(ent)o, che dève concepir ogni Giudice, assicurandoci San Gregorio nella sua Morale, che tanto più perfetto è un Giudice, quanto più perfettam(ent)e risente gl'altrui dolori.

Compatim(ent)o dunq(ue) Ill(ustrissi)mo Congresso doveste concepire verso ~~[illegible]~~ Serafino Gambino, se per le circostanze sopradette di tante [illegible]

consig[illegible]

consequentemente accesso da un intenso dolore passò alla correz.ne del Bonaciol, e tanto mag.te doverà concepirlo Ill.mi Ecc.mi quando che si assicura il decoro d'un dano, che il compatim.to med.mo ci renderà sempre più perfetti.

Mà finalm.te contro chi mai fù diretta la correz.ne? Contro un sedutor della dioneu...: Chi fù quello che à modo avversario rimase offeso? Un giocatore di carte di cui parlando l'Oblienta dice: agere turpem vitam, ita ut redditus exosus legibus, et non admittitur nec in testem: e à tal razza di gente haverà la Giust.a à dar ascolto; se si rende odiosa alle leggi, non deve esser ricevuta di mano dalla Giust.a stessa à cui da Dio viene raccomandata la conservation delle leggi med.me.

Mà poi che male è successo, che danno hà patito il Bonaciolo, che sequid.o hà risentito! È vero che il Cirugico dice d'aver medicate due contusioni, mà è verissimo ancora che devono esser state di pochissimo momento, perchè due volte che egli è comparso avanti la Giust.a, una al tempo dell'ingiusta querella, e l'altra del Constituto per cui fù chiamato, come nella p.ma non fece alcuna inst.a per danni, perche ne haveva abito alcuno, ne erano per patire, così meno nella seconda, benche accaduta giorni venti doppo non aprì bocca per dimandar risarcim.to veruno, e perche mai: perche ne danno, ne sequid.o risentito non havea, e à questo passo non credo già che sia per dire egli non esser citatti in alcuni atte, poichè se ciò proferisse quando mag.te si renderebbe degno di compatim.t il Cambino, e quanto più doverebbe contro di lui crescer l'indignation della Giust.a: questa condicion di persone senti ...

senza professione, senza beni di fortuna sufficienti al loro mantenimento, chi non lo sà che non una sol. e lieve leggiera correzione si merita, nè basta, mà deve anzi ovina posta esser scacciata dalla Patria, onde la picola, e lieve offesa che fusse stata in tal persona per giustissimo motivo, e che non hà recato che poco dolore, senza alcuna conseguenza di danno, non è, e non sarà fondamento di castigo, perche la gravità de Tribunali non hà da perdersi in simili leggierezze.

Assoluzione dunque, e liberazione del Gambino, tutto che ~~[illegible]~~ venisse sopportato in riflesso, che se il med.° aveva à passar à correzione, doveva dirigerla verso il fratello, mentre hò già toccato, che questa era riservata nella propria casa, ove ad ogn'ora poteva farla con più bel agio, non è però che per questo non haveste potuto praticarla anco contro il Bonacini nell'occasione che se gli era rappresentata:

Nè crediate Ill.mi Sig.ri, che questo sia un mio paradosso, una mia semplice opinione, nò Graviss.mo Tribunale non lo crederete: Sapete benissimo quanto siano odiosi à Dio i depravatori della Gioventù, quanto coloro, che la sfiorano, che la sterpano, che l'assassinano coi pravi documenti, onde nella Cantica s'esprime in questa maniera: Capite nobis Vulpes parvulas quæ demoliuntur vineas.

Non dice custodite non riparate, non ~~[illegible]~~ riservate con valide siepi le Vigne nò, mà capite Vulpes: Prendete prendete quelle Volpi, che rovinano le picole vigne.

E che mai hà fatto ~~[illegible]~~ il Gambino nell'incontro di veder la rovina del Giovine suo fratello? Non altro ce rem.de

Ed

che fusse la Volpe, che pervertiva coll'insinuation del gioco la buona indole del fratello, che lo instradava sull'otto del precipitio, e che le imprimeva massime tanto perniciose: Sia pur dico la Volpe, e s'Ea correva i danni, senza giudicio, e poveri tutti colpeuole?, potrà esser considerato per reo? Non posso, ne devo persuadermi, perche so quanto sono alla vostra auttorità, e al vostro zelo i buoni costumi del vostro popolo, quanto il por freno all'odierna scostumatezza di tal condittion di persone, che tutto di và degenerando in qualunq. sorte di vitij, e pessime procedure, come pur troppo s'haveba à provare, e Dio guardi, che avesse à impor un minimo castigo al povero bambino, o come ciò serviverebbe d'allettinamento, e di vehicolo ad altre simili, anzi molto più peggiori conseguenze.

Implora dunq. nel stato presente, supplica umilmente, e spera la sua libera assolutione. Gratia etc.

Li Beni, Effetti e Capitali posseduti e registrati in calce del Testamento 1578. 28. Risposta Nostro Anco al detto Atto.
1726. 26. Agosto.

L'Esborso fatto l'anno 1606. 27. Aprile dagl'intervenienti della magnifica Città di Cividale al q.m Massimiliano di Mon=tegnaco non può esimer la medesima Città dal Resti=to del Capitale di Ducati mille che in virtù del instrumento di Livello 1586. 20. Gennaro doveva alla q.m Nobil Sig.ra Elisabetta Zealda rappresentata da me Pietro di Montegnaco per forza del di Lei Testamento 1587. 25. Ottobre. onde conoscendo tal verità gl'intervenienti di detta Magnifica Città, si sono ridotti a voler dalli Sos=trare della Casa di Montegnaco vedere di ritrovare gli Ef=fetti del detto q.m Massimiliano per avere il loro risar=cimento e sollievo, come chiaramente spica dalla Loro Difesa 7. corrente prodotta nel Foro di Cividale; onde per sodisfarli in tal parte, se gli presenta una Nota distinta della Robba ritratta che possedeva detto q.m Massimiliano pervenuta nel medesimo e suoi Fratelli sin l'anno 1575. 19. settembre, donatali irrevocabilmente dalla q.m Aloysia di Montegnaco Moglie rellitta del q.m Nob: Sig.r Bernardino Pi=cicloniari, sopra la quale se il loro Titolo sarà anzia=no a quello de Possessori della medesima potranno ave=re il loro sollievo; onde con ciò doverebbe contentarsi di non affettar maggiori dilazioni per apportarmi incom=modo e spesa: ma in caso d'insistenza, se gli dice

che

che per schivare il pericolo del smovimento delle scritture, ed anco di maggior spesa alla Communità sudetta, mi esibisco di mostrare in Udine tutte le scritture dimandatte a chè vengo a chi sarà destinato dalla Communità sudetta, come hò fatto al N: H: S. Conte Lodovico Manin, che per la causa che con sua Eccelenza avevo, mi hà fatto commandamento di presentar tutte le scritture di Cà Mondegnaco, ed in caso la Magnifica Communità sudetta ciò non volesse, che non credo mi contentarò per schivar le dilazioni, ed Artico-li che mandi detta Communità a levar le scritture sud. che con l'assistenza di persona da me destinata da esser sodisfatta dalla Communità sudetta a L. 3: ? al giorno come risulta dall'instrum.to di Livello 1586. saranno condotte a Cividale perchè possi vederle a suo piacere, essendovi necessaria tal Persona per essere molte Bergamine e carte sciolte autentiche, oltre li processi il di cui smovimento saverebbe quel danno alla mia Casa, che ogn'uno può immaginare. E tanto gli sia detto, protestando &c. senza pregiudizio, anzi con espressa riserva d'ogni mia raggione &c. et salvis &c.

Scrittura Nostra in Cristino

1753. 23. Giugno.

Non potrà che riuscire inutile alla Magnifica Communità di questa Città il nuovo esperimento che a prodotto di Cristino dopo l'amplissimo Laudo di Taglio del Eccellentiss. Cons. di 40. C. N. del di 22 settembre p.p. da essa vuol farsi a fronte della giustissima ed incontendibile Dimanda proposta li 19. 1753. 6. Agosto.

La Città di Cividal del Friuli chiamata in Giudizio nell'anno 1726. dal q.m Sig.r Conte Pietro di Mondegnaco per farla Debitrice d'un Capitale di Ducati mille con prò da essa ommesso, e non effettivo e sborso assumato cento e venti anni prima non merita rimprovero, se si è difesa; ma è ben degna di compatimento,

l'incontrata fatalità, che mentre fù persuaso il Giudice di prima instanza d'assolverla e liberarla dall'indebito as=
=serimento in esso caso di estendere la sentenza, invece di concepirla con la dovuta consonanza ed uniformità alla sola contestazion delle Parti l'abbia estesa con questi ar=
=tifizi di dichiarazioni, ed alternative troppo patenti, ed inescusabili, che hanno dato coraggio al sig.r q: Nicolò di appellarla anche doppo anni diecisette d'aquietanza e sono stati il vero motivo delle pezzo di taglio da lui sortito del curiosissimo consiglio di quaranta Civil Novo li 22. set
=tembre passato.

Questi sono appunto que' casi, ne' quali giusto non solo, ma ne=
=cessario si rende l'uso del Pristino dalle Leggi concesso, ne' quali viene accolto, e protetto con occhio di particolare com
=patimento dalla Giustizia.

Il Testamento della q.m Elisabetta Zalda assai fatto, come re nell'anno 1588. li 25. di Nove dal Nodaro Boezio assai consegnato sotto sigillo nel giorno medesimo al d.o Nodaro Boezio ed ad altro Nodaro Mattia Paulidi: quan sia stato pubblicato per la sua dovuta essecuzione, non giustifica in forma alcuna detto sig.r Conte di Montegna e pretende tuttavia in forza del medesimo di obligar detta Città ad un secondo Pagamento del Capitale da essa estint nell'anno 1606.

Riassumendo in Giudizio di Pristino essa Città le proprie difese, e quelle a riparo di nuovi disordini, piegando e determi=
-nando insta riverentem.te d'essere assolta e liberata dalla Dimanda 1726. 19. Luglio, altra 6. Marzo 1730. e dalla n
-ova 23. Giugno passato in Pristino, e ciò per l'effetto c
colla distinzione de' seguenti Conversi

Prim

Primo. sarà deciso che il Testamento della q.m Elisabetta Zhialda 1588. 25. Ottobre, apparè consegnato da essa sotto sigillo in detto giorno per esser aperto, e publicato a suo tempo alli Nodari Boezio, e Pauletti non possa pretendersi operativo in alcuna, ma parte a pregiudizio della sopradetta Città avanti della apertura, e Publicazione del medesimo per quanto in raggione, e fatto sarà considerato. salvis Etc.

Secondo. sarà deciso, che quando il Sig.r Conte di Montegnaco non dimostri in qualche forma probante dalle apertura, e Publicazione di Testamento essere seguita avanti li 12 Aprile 1606. non possa a pretesto di esso Testamento, e Fideicomisso in quello ordinato sortire il Taglio o render inoperoso l'instromento d'Affrancazione 1606. 12. Aprile. salvis Etc.

Tanto sarà deciso in cadauno di detti Conversi col Taglio delle sentenze a Legge seguite sopra detto Testamento, con riserva, senza pre=giudizio, e rele. pese.

Scrittura Nostra.

1753. 13. Decembre.

Dopo l'amplissimo spazzo di Taglio seguito al Consiglio di 40 C. N. li 11. settembre 1752 a favore del N.ob. Sig.r Co. Nicolò di Montegnaco, e contro questa Magnifica Città, che manamente comprende=rà la validità del Testamento della q.m Elisabetta Zhialdi 1588. 25. Ottobre non può essere più disperato il ripiego, che li Diretori della Città medesima mettono a campo colla dal qual loro scrittura con due capi di converso prodotta in Roistino li 6. Agosto prossimo passato per deludere se fosse possibile il giustissimo effetto della dimanda 19. Luglio 1726. susse=guente 6. Marzo 1730. di detto Sig.r Conte Nicolò di Montegnaco, con detto veneratissimo spazzo giudicato, e che ne meno a

a fronte del nuovo sempre inquisto esperimento potrà mai esser abbandonato. Protesta però nella più valida forma la scrittura stessa a cadauna novità et introduzione di essa quando li Livellari stessi non si rassegnino volontariamente come dovrebbono umilmente impiora esso Sig.r Conte Nicolò sempre costante nell'uso delle sue inerenti raggioni che colla ragguzione di detti capi di convicto resti fermato e deciso in tutto e per tutto come nella detta dimanda di principale 29. Luglio 1726. 6. Marzo 1730. et doppo il predetto Costino rispondenda li 23 Giugno prossimo passato onde con tali discervati pretesti non possano aver luoco gl'effetti malamente divisati in pregiudizio del Fideicomisso inerente con detto Testamento disposto a favor del detto Sig.r C. La Giustizia de Triginali non potrà mai condannar la Magnifica Communità di Cividal del Friuli ad una nuova Affrancazione del Capitale di D.ti mille con grave consequenza di più rè Taglia=re come mal si pretende dal Ill.mo Sig.r Conte Nicolò di Mon=tagnaco l'Affrancazione già cento cinquanta anni seguita con solene Instromento quando nevi concorrono chiarissimi fondamenti, e carte che non admettono alcuna eccezione.

Tale non è certamente la tal qual Carta di preteso Testamento della q.m Nobile Elisabetta Zucalda 1588. a cui unicamente s'appoggia la suscitata molestia. non però giusto, che con l'implicanze che si raccolgono dalle carte e senza prova di Giustificazione resti aggravata la Città sopradetta come si tenda; Rigetta=mento e regolando la medesima la propria contestazione insta che coll'assoluzione della dimanda 1726. 19. Risposta Nostra

1757. 30. Gennaro.

Dalla varietà ed incostanza delle implicanti direzioni tenute dalli Difensori dalla mag: Città di Cividale nella cogni=zione del proprio torto comprenderà sempre più la Giu=stizia de' Tribunali il disperato tentativo di essa Città di combattere anche in Pristino il giustissimo effetto una volta giudicato dall'amplissimo spazzo di Taglio del Consel=gio serenissimo di quaranta Civil novo 12 settembre 1752 della dimanda 19. Luglio 1726. del fu sig.r conte Pietro di Montegnaco riassunta dal sig.r Co: Nicolò di lui Nipote ex Filio Erede Fideicomissario della q.m sig.ra Elisabetta Ze=lda Testatrice 1588. con la susseguente scrittura 6. Marzo 1730 e coll'ultima 23. Giugno 1753 presentata dopo il Pristino.

Il disperato ripiego della dal qual intitolata scrittura Regolativa con concerto d'essa Città 7. cadente che dopo tanti condanazioni raggiri e doppo le informazioni dalle Parti rassegnate all'Eccellentissimo sig.r Proveditor, impugna la Disposizione Testamentaria d'essa Testatrice 1588. che nella sua antichi=tà ed inocenza e per quel più che spicca dalle carte si dif=fende da sè, stessa e sarà con indignazione della Giustizia represso il coraggioso trapasso.

Applicato però il più valido, e solenne protesto alla scrittura stessa ed a cadauna vanità d'essa anche nell'uso inutile della sentenza a Legge 3. Novembre 1695. riverente ne implora detto sig.r Co: d'esser assolto, e liberato dal detto capo di concerto col Lau=do della carta, ed atti con esso disperatamente impugnati, per l'effetto in tutto, e per tutto della detta sua dimanda di Principale riassunta colle dette susseguenti scritture; e ciò per quello, e quanto sarà considerato: Così. &c.

Scrittura Avversaria al Laudo.

1757. 9. Settembre

La pretesa del Sig.r Co: Nicolò di Montagnaco di far rinascere a Debito della Città di Ciuidal del Friuli il Capitale di D: 1000. già un secolo e mezzo dalla medesima con Publico instromento affrancato unicamente appoggiata alla carta intitolata Testamento della q.m Elisabetta Thealda stanti le cose come stanno, insostenibile, ed invalida all' effetto sudetto per ogni confronto di raggione, e di fatto fù giustamente regetta dalla sentenza 17. Marzo prossimo pas=sato seguita in Giudizio di Pristino con nuovi lumi, e nuovo stato di Causa a favore di detta Città.

Quanto evidenti rissultaranno alla sapienza del Consiglio Serenis=simo li motivi veri dello giazzo di Taglio 11. settembre 1752 altrettanto confida essa Città che dal inalterabile sua Giustizia saranno in presente giovate ed admesse le vali=de ragioni della medesima col Laudo che umilmente im=… a previa la Remissione, a norma de capi seguenti.

Primo. Seguirà il Laudo di detta sentenza 17. Marzo nella parte che riguarda il capo di Principale Avversario, da cui fù giustamente assolta detta Città a tenore di sua Scrittura 7. Gennaro prossimo passato.

Secondo. Seguirà il Laudo di detta sentenza nella parte che riguarda il converso proposto da essa Città, e con tutta Giustizia ad=messo a tenor di detta scrittura 7. Pristino Avversario a Cividale sopra spazzo
20 Marzo pross: pass.

Scrittura Nostra in Pristino.

Se l'esperimento, che la Magnifica Communità di questa Città ha voluto fare in Pristino dopo l'amplissimo spazzo di Taglio 11 settembre 1752 del Consiglio Eccel=lentissimo di 40 Civil Novo contro di essa seguito a favore del Sig.r Conte Nicolò di Montegnaco, è stato co=nosciuto ingiusto, e fù represso dal susseguente amplis=simo spazzo 20 Marzo prossimo passato del medesimo Se=renissimo Consiglio parimente seguito contro di essa a favor del detto Sig.r Conte Nicolò, sarà conosciuto per uno indebito, corregibile, stancheggio il nuovo tentativo che in Pristino di Pristino vuol farsi dalla detta Com=munità col solo oggetto di opprimere esso Sig.r Conte di Mon=tegnaco con forensi dispendj, e di perpetuare la Pen=denza sopra la giustissima, ed incontendibile Diman=da proposta fino li 19 Luglio 1726 dal q.m Sig.r Conte Pietro di Montegnaco di lui Avo Erede Fideicomissario della q.m Elisabetta Zealdi Testatrice 1588 25 Ottobre è riassunta da esso Sig.r Conte Nicolò con sua Scrittura 6 Marzo 1730 e sempre fin' ora dalla detta Commu=nità ingiustamente combattuta.

Giacchè però li Sig.ri Deputati di essa Magnifica Città dopo il giro delle cose corse e come stanno, si sono spiegati col loro costituto 24 settembre prossimo passato e noti=ficato sotto li 24 settembre stesso, di voler a pretesto di nuovo Pristino, con troppo capricciosa condannabile insistenza nuovamente tentare la Giustizia, la quale nel punto identico di tanta evidenza non potrà mai esser diversa

la

da quanto fù giudicato con detti due amplissimi spazzi, è in necessità esso sig.r Conte Nicolò di nuovamente ricorrere a questo Eccelentissimo Tribunale e riverente reimplora che per la terza volta resti finalmente terminato, e deciso in tutto, e per tutto come in detta dimanda 19. Luglio 1726. e susseguente scrittura 6. Marzo 1730. per tutto quello e quanto sarà considerato. salvis &c. sine prejudicio &c. et in expensis.

Querela Avversaria.

1760. p.° 8. Novembre.

Dopo cento e vinti anni, da che la Città di Ciuidal del Friuli con Publico Instromento è coll'esborso effettivo aveva affrancato un Capital Livellario di D.ti mille già da essa dovuto alla q.m Elisabetta Zealda in vigor di Instromento 1586. p.o Zennaro insorse nell 1726. con Giudiciaria dimanda il sig.r Conte Pietro di Montegnaco per far debitrice nuovamente detta Città del Capitale medesimo professandolo assoggettato a Fidecomisso perpetuo nella di lui Famiglia da d.ta q.m Elisabetta, ma per fondamento nulla più producendo che una copia di asserta Copia d'un preteso di lei Testamento 1588. 25. Ottobre appar in Atti del Nodaro Matteo Paoletti.

Affidata essa Città che non fosse in Giudizio attendibile detta Copia mancando l'originale si è posta in diffesa in Via Giura Civile instando la nullità della stessa ed ottenne favorevol sentenza 15. settembre 1730. del Nobil Uomo Proveditor e Capitanio di Ciuidale ma conceputa con tali artificij d'alternatiue, et ultroneità, che doppo anni diciotto di acquiescenza, fattosi coraggio d'appellarla per il manifesto

manifesto disordine ne sortì il Conte Nicolò di Mon=
=tegnaco lo spazzo di Taglio del Conseglio Serenissimo di
quaranta Civil Novo 10. settembre 1752.

Usato da detta Città il beneffizio del Proclama anche nel nuovo
giudizio, continuò in Via pura Civile a sostener la nu=
=lità e Taglio di detta copia e con l'appoggio anche di
aver fatto lo spazzo trovate convincenti e reprobanti il
mal supposto Testamento riportò nuova sentenza a di lei
favore 17. Marzo 1757. ma in Appelazione al Conseglio Se=
=reniss: di 40. C. N: i Difensori Avversarj non potendo
far fronte alle ragioni di merito si sono accortamente ri=
=dotti alla disputa d'ordine: che per tagliare una copia
Autentica si deve procedere con querela in Via Mista, ed
in tal forma sortirono lo spazzo di Taglio 10. Marzo pross: pass:

Annotato il Proclama da detta Città affinchè non perisca un merito
di piena evidenza per le fatali combinazioni dell'ordine,
risolve di ricorrere all'Autorità di Vostra Eccell. ed usare
in via mista le proprie raggioni contro il mal suppos=
=to Testamento di cui non esiste l'originale, ma una
sola copia di asserta copia fatta dal Nodaro Antonio Ma=
=ria Fabricio querelando però detta tal qual copia del
sud.to Nodaro Fabricio, che si dice tratta da altra copia Au=
=tentica del Nodaro Paoletti senza Recognizione alcuna
del carattere dello stesso Nodaro Paoletti come carta non
vera mancante d'ogni legitimo Fondamento di verità,
anzi convinta da ogni confronto, se ne implora della stessa
Intromissione e susseguente Taglio, perche con essa non ab=
=bia rodato né possa correr in esser dopo cento e più anni
il preteso Testamento della q.m Elisabetta Tealdo che appari=
=ce dalla copia stessa, per trarsi effetti malamente divisati
a danni della Città sopradetta. Gratie &c.

Dovendo io in occasione dell'ordine datomi dall'Ecc.mo Senato mandar un buon numero de guastadori al Clar.mo S.r ord. Friul. sopra la fortificatione di Udene, licenziai i giorni passati tutti li guastatori della natione da questo forte [illegible] avendoli inviati a Udene.

Che ha veduto quanto sua Ecc.za con le sue ha scritto in risposta delle mie de di 19 instante che per ordine dell'Ecc.mo Senato ha da licentiarsi dalla fortezza di Palma li guastatori dello Stato et inviarsi a Udene.

Et però se viene le fattioni de questi distrittuali di Pordenone a me commessi sono separati dalla patria come anco sono quelli di Cividal de Friul.

Essendo il luoco di Pordenon compreso nella patria è conveniente che questi per la sua portione concorrino a Udene

Inde sig.r Ill.mo vedo à questi poveri distrittuali nascerà et certo contra la volontà de V.S. Ill.ma il maggior pregiudi-
